

Niles is looking for his forever home!

Niles is a 5 month old Boxer Mix, appx 20 lbs
and

100% a VERY good boy!

This little guy would do best with a fenced in yard
He will also benefit greatly from basic obedience / puppy training
He would do best in a home with another dog to show him the ropes
Just like every puppy, he requires patience and LOTS of LOVE!

He **LOVES**: walks in the woods, he's very quiet and is a great office
dog, snuffle mats and enrichment games.

He loves other dogs (his foster home has 2 large dogs)

He is treat motivated

He **LOVES** car rides

He Loves to play with his toys and balls

He sleeps through the night and is working on his house training too!
